## *Vineyard Notes*

This cuvee is an assemblage from several plots in varied terroirs. On average, the vines are 75 years old.

## *About the Wine Maker*

The property is located in the heart of Chablis in a large estate, a former residence of the monk workers of Pontigny Abbey, comprising a large 19th century building and a partly underground cellar built in 2016.

## *Tasting Notes*

The quality of the grapes on these old vines explains the vibrant intensity of this wine. The bouquet is deep, pure and discreet. Vieille Vignes is full-bodied, solid, dense and long-lasting wine, sustained by a delicate mineral bitterness.
