Bordeaux White

Vitner	Château de Cranne
Vineyard	Aligote Blanc
Origin	Bordeaux, France
Vintage	2020
Variety	Muscadelle, Sauvignon Gris
Wine Type	White

Winemaking Notes

Somewhat unpredictable weather conditions, vineyard operations turned upside down during the spring lockdown, an early vintage from bud break to the harvest. The weather during summer was ideal for picking grapes in optimal conditions. Harvesting and winemaking operations thus unfolded serenely. The 2020 vintage is of excellent quality, with wonderful balance between alcohol, acidity and tannins. About dry white wines : the first bunches were picked shortly after 15 August, starting with the Sauvignon Gris and Sauvignon Blanc on the earliest- ripening terroirs. Despite the hot summer, the sweet and delicious grapes retained good acidity.

Tasting Notes

Bright straw yellow color, notes of candied apricot and baked brioche. A full and well balance wine that give a perfect mouth feel and notes of exotic fruits.
